Re: Violations of Justia's Terms of Service by Michael Mandelbrot, the Asbestos Legal Center, and the Mandelbrot Law Firm
www.mesothelioma.pro / www.mesothelioma-lawyerblog.com

Dear Ms. Stern:

I write on behalf of the DII Industries, LLC Asbestos PI Trust to report violations of Justia's Terms of Service. Specifically, Michael Mandelbrot, the principal of the Asbestos Legal Center and the Mandelbrot Law Firm, has used the above-referenced Web sites, which Justia hosts, to threaten, defame, and harass Trust employees and representatives. For example, he has used your service to label Trust representatives "liars" and to falsely accuse them of criminal conduct. Additional, more egregious examples of Mr. Mandelbrot's abuse are enclosed.

To provide some background information, Mr. Mandelbrot represents individuals in claims against asbestos trusts, which exist to compensate people injured by exposure to certain companies' asbestos-containing products or operations. Several of the trusts, including the DII Asbestos Trust, became concerned about the reliability of information Mr. Mandelbrot provided and ultimately stopped accepting claims from him. Mr. Mandelbrot responded to these actions with the attacks and insults described above.

I ask that you immediately remedy Mr. Mandelbrot's violations of the Terms of Service and remove the offensive content from the Web.

Please contact me at 214-271-0554 or gmchugh@diiasbestostrust.org if you have any questions.

Best regards,

Gregg McHugh
General Counsel

DII/Halliburton Asbestos Trustees Breach Fiduciary Duties to Claimants – Asbestos Victims Lose

by Asbestos Legal Center

Asbestos Bankruptcy Trust Fraud Newsline – March 2016

BAD FAITH, CORRUPTION AND FRAUD AT THE DII INDUSTRIES L.L.C. ASBESTOS PI TRUST

Asbestos Bankruptcy Trust Fiduciary Fraud Continues (DII Industries/Halliburton Asbestos PI Trust Fraud)

It has now been **confirmed** that the Trustees and Fiduciaries running the DII/Halliburton Asbestos Settlement Trust have breached their Fiduciary Duties to Claimants, Attorneys and have committed fraud in suspending claims and lying to claimants counsel. For clients of the Mandelbrot Law Firm – it is solely due to the corrupt lawyers below that claims are not passing!

“These corrupt lawyers improperly suspended DII/Halliburton Claims filed by my office in September 2014. It wasn’t authorized or warranted under the Trust Rules, but they did it anyway. Then, after I completed their AUDIT (the largest in the history of the Trust) with clearly no finding of any wrongdoing, they continued to bar claims and lie to me throughout,” said experienced Asbestos Attorney Michael

Asbestos Trusts get Lucky!! Court Rules in their Favor in battle with States

Mandelbrot. “It’s amazing how corrupt lawyers (and liars) will band together to harm beneficiaries of the Trust. They are just a pack of despicable lawyers with little ethics who are misappropriating monies from claimants in the process. Hopefully the Judge or the Department of Justice takes notice.”

Below you will find **actual documents** related to the Fraud. First though – a list of **every corrupt lawyer and Fiduciary at the DII/Halliburton Asbestos Settlement Trust –**

LIST OF CORRUPT LAWYERS AT THE DII/HALLIBURTON ASBESTOS SETTLEMENT TRUST

1. **Mary Ellen Nickel, Managing Director – A liar.**
Oversees claim filing. Indicated to Mandelbrot prior to the audit in September 2014 “we know you are a good guy who hired a bad employee (John Lynch) – the audit should be done in a few weeks.” Here we are 18 months later with the audited completed yet claims not being filed.
2. **Greg McHugh – DII/Halliburton Attorney – Another deceptive individual. Extortionist.** Wholly ignored the DII/Halliburton’s own Trust rules and attempted to extort over \$58,000 from Mandelbrot and his office through fraud. Lied to Mandelbrot and Claimants on many occasions. Required Mandelbrot to confirm he represented dozens of clients due to the bad faith of another attorney. Following conclusion of the audit, sent a 2nd completely fraudulent report to Mandelbrot (clearly fraud) attempting to indicate he filed unreliable claim. McHugh has breached his fiduciary duty to claimants.
3. **Janet Jardin – DII/Halliburton Attorney – A compulsive liar. Clearly doesn’t even know the rules of the DII/Halliburton Asbestos Settlement Trust. Delayed Mandelbrot audit over 12 months and lied throughout the process.** Following audit, attempted to mislead Trustees regarding Mandelbrot claims (due to Jardin’s incompetence). Should be fired from Trust. Has time to “tweet” throughout the day, but

Thorpe Trusts – Case
Remanded!**

September 15, 2017

couldn't dedicate time to the audit (or was just too stupid to understand the documents).

4. **Marcellene Malouf – DII/Halliburton Attorney – See Janet Jardin, above. Malouf is her sidekick and also a liar.**
5. **Beverly Weiss Manne – DII/Halliburton Attorney – Another Liar. Extortionist. Fraud.** After Mandelbrot was misled by McHugh for over 4 months following the audit – the negotiation was turned over to Ms. Manne. Turned out to be as much of a liar as the rest of the crew. An enabler of fraud. Lied to Mandelbrot and indicated that the audit should be wrapped up before the end of the year.
6. **Alan Brayton/David McClain/Steven Kazan – Asbestos Claimants Committee Members –** Some of the most corrupt lawyers in the Country.

TIMELINE OF DII/HALLIBURTON ASBESTOS TRUST FRAUD, RACKETEERING AND BAD FAITH – ACTUAL DOCUMENTS

November 2012 – Mandelbrot notifies of DII Trust and all Trust of 'bad employee' John Lynch. Mandelbrot identifies specific DII LLC Asbestos PI Settlement Trust claims impacted in chart provided to Trust (see link below). Mandelbrot, in good faith, withdraws any pending claim with the Trust which has been 'touched' by John Lynch so the claims can be filed properly.

November 2012 Declaration Notifying Trusts of John Lynch – See Link

Charts regarding Lynch Discoveries

September 2014 – DII Asbestos Industries Personal Injury Asbestos Trust Suspends Mandelbrot Claims – A violation of Fiduciary Duties and the Trust Distribution Procedures. No notification is provided to Mandelbrot. Mandelbrot discovers claims are put in a "suspended" status and contacts DII Asbestos Trust Managing Director Mary Ellen Nickel.

Link Letter to Trusts – Notification of Lynch 2014 – This letter followed up on September 2011 to Trusts notifying them of convicted felon John Lynch

September 2014 – Mandelbrot speaks with Mary Ellen Nickel and indicates “We know you are a good guy who hired a bad employee (referring to now-convicted felon John Lynch), the audit should be completed in a couple of weeks (the timing of audit as communicated by Mary Ellen Nickel turned out to be a big LIE.

October 2014 – Mandelbrot provides Trust Declaration to clarify Trust Status. [Link – Declaration of Michael Mandelbrot – October 23](#)

January 2015 – Mandelbrot finally receives notification from the DII Industries Personal Injury Asbestos Trust regarding a targeted audit. Trust attorney Janet Jardin delayed 90 days in sending this request with excuses like “the Holidays are busy...” and “it should be done soon”. Jardin lies to Mandelbrot on multiple occasions before finally sending audit request. [LINK – Audit Request to Mandelbrot Law Firm – January 2015 – the largest in the History of the DII Trust](#)

February 2015 – Mandelbrot provides full and complete responses to Trust Audit. All documents proving all claims are provided. Over 100, 000 pages of records including liability documents relating to Halliburton, DII Industries and Worthington Pumps.

August 2015 – After repeated delays (see below) of over 6 months – DII Trust finally provides a Report in response to the Audit showing Trust incompetence, bad faith, fraud and misconduct. It is confirmed at this point that Janet Jardin is incompetent to the DII Trust Liabilities and the racketeering and bad faith are taking place at the Trust – Actors involved in fraud – Greg McHugh, Marcellene Malouf, Mary Ellen Nickel.

Mike, I am writing to provide an update that, due in part to work travel and meeting schedules, we will not be sending

the report for a few more days. So that you have sufficient time to review, we will also push back the call that we initially proposed having on Thursday to the following week.

Regards, Janet Jardin Assistant General Counsel – Director of Audit-DII Asbestos Trust

August 2015 – The day after receiving the Fraudulent Report on Audit from the DII Trust – Mandelbrot Responds – Realization Trust Fiduciaries are incompetent, acting with bad faith, delaying claims and colluding. Janet Jardin and Marcellene Malouf exposed as frauds.

LINK – Mandelbrot Complete Response to DII Targeted Audit – DII Fiduciary Fraud and Incompetence

DII claims remain suspended – Trust Bad Faith

September 2015 – After committing fraud and bad faith (and showing they don't even know the liabilities of the billion dollar trust they oversee), Malouf and Jardin 'require' Mandelbrot to sign a confidentiality agreement. Mandelbrot refuses. Janet Jardin and Marcellene Malouf are pulled off of the Mandelbrot Audit. Mandelbrot now communicates with Trust Counsel Greg McHugh – who proves to be a liar and Fraud (see below). McHugh forces Mandelbrot claimants to sign an incomprehensible 'confirmation of representation.' Mandelbrot complies. McHugh admits there is no finding of any wrongdoing and then attempts to 'create' fraudulent Mandelbrot claims. McHugh sends Mandelbrot a "new" report on audit and identifies the same claims Mandelbrot identified in the letter of November 2012 (see above) and attempts to now say unreliable claims were filed.

Link – Confidentiality Agreement – Unsigned

Link – Good Faith Mandelbrot Response to September 9 letter – McHugh Fraud (1

Mandelbrot DII Trust Claims remain suspended.

October 2015 – Greg McHugh (after his attempts at fraud failed) is pulled off the Audit and the DII Trust hires

Counsel Beverly Manne to attempt to close the audit. Manne attempts to have Mandelbrot sign ANOTHER confidentiality agreement through fraud. Mandelbrot refuses. Manne makes various bad faith requests to Mandelbrot. Mandelbrot refuses.

December 2015 – Beverly Manne lies to Mandelbrot and indicates that she hopes to have audit wrapped up by end of year. Manne then never responds to Mandelbrot requests or e-mails. Mandelbrot claims remain suspended in bad faith. DII Trust Fraud continues.

March 2015: Mandelbrot finally hears from Beverly Manne again (after Mandelbrot had e-mailed her at least 5 times). **Manne** now attempts to **extort claims** from Mandelbrot. Bad faith and collusion is clear. Manne has a fiduciary duty to the Trust and claimants but ignores it – here is her actual e-mail (why is she attempting to force me to withdraw the Coots claim – clear tyrannical conduct by Manne).

Dear Mr. Mandelbrot:

The claims listed below are not DII claims.

However, the following claimant has filed the following claim with the DII Asbestos Trust: Claim 4180299 (Charles Coots).

Did you want to have the Coots Claim 4180299 deemed withdrawn by you?

Beverly Weiss Manne, Esq.

Mandelbrot refuses the Manne's request. DII Industries L.L.C. Asbestos PI Trust extortion fails.

March 2015 – Trust Lawyer Beverly Manne e-mails Mandelbrot, rejects Mandelbrot offer to settle, threatens litigation (so Manne can misappropriate funds/bill Trust to meet her hourly requirements). Beneficiary claims continue to sit at the Trust. Bad Faith and misconduct continues. Department of Justice notified.

COMING SOON – The Corrupt WOMEN of Asbestos Trust Litigation – Bad Lawyers/Bad People September 27, 2017

Asbestos Trusts get Lucky!! Court Rules in their Favor in battle with States

The “Godfathers” of the Asbestos Trust Mafia are 4 Individuals –

1) Steven Kazan – The *King of Asbestos Bankruptcy Trust Fraud.*

- The man *most responsible* for destroying more than one hundred once-thriving American businesses and putting tens of thousands of their diversely-colored employees out of work.
- Kazan then ‘controls’ the Asbestos Trusts as a “Fiduciary” through **tyranny, fraud, and collusion – diverting funds to interested parties and his Firm**
- Serves as a ‘Fiduciary’ on over 20 Asbestos Trusts allowing him to control/collude over 20 billion in assets and to **divert hundreds of millions** to his clients, “interested” parties, lawyers engaging in fraud, and other non-victims/beneficiaries.
- Documentary Proof – **LINK TO ANNUAL REPORT WHERE STEVE KAZAN, AL BRAYTON, MCLAIN AND SNYDER ‘STOLE’ OVER 47 MILLION FROM VICTIMS –Brayton, Kazan, McClain and Snyder Stealing 47 Million from Victims–**
- ***Here is the language from the report unless the Link Doesn’t Work: Fees for Plaintiffs’ Firms: In the process of entering the Confirmation Order, the Bankruptcy Court entered Order Regarding Fees Paid to Certain Law Firms, on January 26, 2004 (“Fee Order”), requiring three firms to pay to the Trust a total of \$12.3 million in legal fees previously paid to such firms by USF&G. The three firms were Brayton and Purcell, Kazan, McLain, (NOT ONLY DID THESE ‘LOSERS’ RECEIVE OVER 200 MILLION IN ATTORNEY FEES FROM CLAIMS, BUT THEY HAD TO THEN TAKE ANOTHER \$12.3 MILLION – WHAT A BUNCH OF CRIMINALS).*** “On the Effective Date, the Plaintiffs’ Firms paid such amounts to the Trust, but appealed the Fee Order to the Federal District

Court. The Trust put the \$12.3 million in a segregated account pending the appeal. The Fee Order was reversed by District Court Order on July 14, 2004. Pursuant to the Court's Order of July 14, 2004, the Trustees approved payment on July 27, 2004 of the \$12.3 million in fees to Plaintiffs' Counsel. 23. Fees for Special Counsel: Pursuant to this Court's July 13, 2004 Order of Final Allowance of Contingent Bonus Fees to Debtors' Special Counsel, the Trust paid fees totaling \$35,542,397 to Brobeck, Phleger and Harrison, Faricy and Roen, Miller, Starr and Regalia and Morgan, Lewis & Bockius" — (THESE ARE STEPHEN SINDYER'S 2 FIRMS – THIS WAS HIS "PAYOFF" FOR CONSPIRING WITH BRAYTON AND KAZAN)

- Kazan is one of the most dishonest, self-dealing and corrupt lawyers in the Country. Controls over 20 billion in Trust funds through fraud, insider dealing, bad faith, and misconduct.
- Actively conceals asbestos job sites (preventing future victims from getting compensated from Trusts) at EVERY Trust to which Kazan is a Fiduciary.
- Has "Secret relationship" w/ Trust fiduciaries at every Trust — (Tom Florence – Executive Director of Ankura; Al Brayton, many others).
- Most of his Law Firms mesothelioma cases come from Doctor David Jablons, who unethically maintains Kazan's brochure and intake packet at his office.

2) David McClain – The King of Corruption Kazan's partner in crime at Kazan McClain

- Thinks he's the 'smartest guy in the room' while engaging in fraud.
- A true "Lawyer Bully". The "front man" of Trust Fraud (while conspiring with his partner Kazan and Brayton throughout)

Oversaw the entire Western Asbestos Trust Fraud leading to Trust Confirmation. “Shopped” around to Plaintiff Attorneys during Trial with Western to “Cherry Pick” claims

- Co-conspirator to help created Western Asbestos Trust, Thorpe Insulation Trust, J.T. Thorpe, Inc. Trust and Plant Insulation Trust

3) Alan Brayton – The most dishonest Mafia member of them all. Submitted hundreds of fraudulent and inflated defaults to help create the 2 billion dollar Western Asbestos Trust through collusion with other Mafia members (David McClain, Stephen Snyder, Michael Ahrens, Gary Fergus).

- Within 2 years, over \$800,000,000 was diverted from the fund to Mafia members and *their* clients — including over 10 million in ‘bonuses’ to the Godfathers, and over \$40,000,000 to other mafia members (proof in Annual Reports above). Hated by nearly every former employee of his office.
- Hands down the most deceptive, malicious and dishonest attorney in asbestos litigation. A central figure in the fraudulent creation of the Western Asbestos Settlement Trust through fraud. Here are many ‘public’ documents who display his bad faith.
- Here are documents showing Brayton tried to ‘hide’ the “stolen” Western Asbestos monies from the Government – **Tax Fraud – Brayton Exhibit P- Tax Court Stipulated Order and Ruling (2002)- Al Brayton-Deficiency over 3 Million plus Penalties Over 500 K—Concerns 200 (1)**
- Annual Report filed – Displays Brayton’s Corruption –

13-43677.Objection to Annual ReportFraudulent Kananian Western Default

- **ACTUAL FRAUDULENT RELEASE – WMAC Release-Jack Kananian 2004** – this \$500,000 was concealed by Mafia Members and Trusts Fiduciaries despite deposition proving Western Fiduciary knowledge of the same.
- **Western Asbestos Trust Depo (Sara Beth Brown deposition – March 2010 – Brown has been conspiring with Mafia members since 2004 – you will not find a bigger liar and fraud in the entire Country – here’s her deposition where she discussed Brayton Fraud (and then concealed this deposition from Annual Reports**
- **FRAUD/CONCEALED Depo-Sara Beth Brown – NOW DISCLOSED**
- **More Pulic Articles Displaying Brayton Fraud – Articles – Brayton Fraudulent Bankruptcy Claims**

4. TOM FLORENCE

- **Depending on which day it is, he is either misappropriating Trust funds as a “Fiduciary”/Director for the Delaware Trusts (over 1 billion in funds) or for conducting ‘sham’ through Ankura consulting and ‘protecting’ Kazan and Brayton fraud**
- **Has Helped Guide the Godfathers and Assisted in the misappropriation of nearly a billion dollars**
- **A very dishonest Lawyer**
- **Ankura Consulting (who Florence diverts Trust money to) is a complete ‘sham’ organization.**

But Kazan, Brayton, and McClain could not accomplish this ‘feat’ without other Mafia members. We will detail those below.

5. Sander L. Esserman – (New Entry to the List) – One of the real ‘dishonest and bad lawyers’ involved in Asbestos Trust Litigation – Probably should be an Underboss (he ‘bows’ to Steve Kazan), but given the vast amount of fraud,

bad faith, and harm to victims – he’s clearly a “Godfather”

- Steven Kazan’s Fraud ‘Buddy’ – Florence is an Interested Party who conspires with Kazan to ‘corrupt’ nearly a dozen asbestos Trusts **and** misappropriate billions to Kazan, Brayton, his Law Firm and other interested parties.
- Look at his profile on his Firm Website – This complete loser represents Plaintiffs, defendants, Trusts (all conflicts) – and utilizes those positions to benefit Kazan, Brayton and others. This guy is a thief!

From Esserman’s Profile:

- **Recent Representative Matters**
 - National Gypsum Company, Counsel to Legal Representative, appointed Legal Representative in August, 2000.
 - Babcock & Wilcox Chapter 11 (represented nuclear exposure plaintiffs).
 - Various pending asbestos-related Chapter 11 cases, including Owens Corning, NARCO, DII and Dresser, Harbison-Walker, Swan Transportation, A.P. Green and M.H. Detrick (representing interests of plaintiffs).
- A Partner at the following Law Firm below. These lawyers, including Peter D’Apice, Jacob Newton and host of other frauds have ‘stolen’ victims funds totaling well over \$10,000,0000 – Esserman should be in jail. Contact his Firm and let them know what losers they are:

Stutzman, Bromberg, Esserman & Plifka – A Professional Corporation – 2323 Bryan Street, Suite 2200 Dallas, Texas 75201-2689 | Telephone: (214) 969-4900 | Facsimile: (214) 969-4999

Sander Esserman – The “link” to a billion dollars of victims funds misappropriated

UNDERBOSSSES (A REAL “PACK OF FRAUDS”)

1. DAN MYER/ROBERT CAPRITTI/KIM LAVIN (OVERSEE A BILLION DOLLARS FOR VICTIMS THROUGH FRAUD) –

Their company is Verus Trust Services (www.verusllc.com) – each of these complete ‘losers’ are former Asbestos Defense lawyers (C.C.R.) which wholly precludes them by D.O.J. rules from serving on Asbestos Trusts, yet they oversees (and assists in misappropriating) **over \$1,000,000,000.00** in Trusts funds. Myer is a walking “Pinocchio”. Kim Lavin is ‘affectionately known’ as “The Liar” and a despicable lawyer. Unquestionably, Lavin’s presence at Verus is because she is “dumb enough” to join the corrupt activities after being a failure as a litigator. Collectively, these 3 have ‘harmed’ tens of thousands asbestos victims through fraud, bad faith, “dis”favoritism (towards anyone but Mafia members).

NOTES ABOUT DAN MYER –

- **NOTE: Dan Myer needs his own “special section” here due to the enormous nature of his misconduct – what a loser!**
- **Myer exemplifies everything ‘bad’ about lawyers. He’s a liar (Little Pinocchio is his nickname)! He’s**

an alcoholic! He's a thief! He lacks intelligence but thinks he's the smartest guy in the room. He's misappropriated hundreds of millions to favored parties!

- The *United States Trustee and Attorney General and Supervising Judges* have grounds to **remove** Myer, Lavin and Capritti and "disgorge" every dollar they've 'stolen' from the Trusts as interested parties.
- A terrible attorney who would have been out of work had he not agreed to engage in corruption.

Conspires and colludes with the Godfathers to ensure their claims are paid, asbestos sites are concealed, and victims lose

2. GARY FERGUS – www.ferguslegalip.com –

- Another former Asbestos Defense Lawyer (and a bad one at that) who took his company (Fibreboard) into bankruptcy and then immediately began corrupting Asbestos Trusts.

An "interested party" violating D.O.J. rules who has personally misappropriated (stolen) at least \$10,000,000.00 from Trust funds. "Hides" in Trust Annual Reports by serving as the "Attorney for the Futures Representative" — a 90 year old former Judge (Charles Renfrew) who is naive to the fraud and happy to collect his yearly stipend. Fergus should have all monies received over the last 10 years disgorged and returned to victims. A pathetic lawyer who has 'sponged' off of victims funds for nearly 15 years.

- If there was a "Lawyer Buffoon Team" – this loser would have a statue in front of the office.
- A career Asbestos Defense lawyer who used to extend depositions of dying victims for days just so he could make his billings
- Stephen Snyder's "right hand man" in fraud.
Conspired with Snyder and Brayton to misappropriate over a billion dollars to Brayton and Kazan.
- Would have been unable to find a job if he hadn't

joined the mafia – he was a horrible attorney who sounds “cartoonish” in Court.

- For a decade, has committed “Elderly Abuse” in working for Judge Renfrew in a capacity that is illegal, fraudulent and despicable.

3. KATHLEEN CAMPBELL DAVIS – www.camlev.com-

See prior Posts. Attorney/Fiduciary overseeing billions in Trust funds (Delaware Trusts, General Motors/MLC Trusts) through fraud, bad faith. Conspires and colludes regularly with the underbosses.

4. MARY ELLEN NICKEL – Executive Director of the Delaware Trusts – which includes over 4 billion (yes, billion) in Trusts.

- Nickel is a “killer” for victims that she is involved with in any Trust whatsoever.
- A liar to her core.
- Plays favorites daily to divert victims funds to friends.
- Will sue one lawyer for fraud with no evidence, while ignoring blatant fraud of Mafia members.
- Like all on this list – not one thing out of her mouth is seemingly true.

5. PETER D’APICE –

<https://www.linkedin.com/in/peterdapice>.

- Wholly ignores conflict of interest rules regularly to usurp millions in Trust funds through excessive Trust billing (one day, he’s a Trust lawyer), attorney fees (the

next, he represents claimants), and sham audits (the next day, he oversees and review Trust claims for another Trust).

- A clearly despicable human being and lawyer who makes all lawyers look bad....
- Nicknames: Peter "D'Fraud", Peter "D-thief", and Peter "D'APiece of Shit".
- Works with Verus to help Corrupt those Trusts
- Works under Sander Esserman to assist in the theft and misappropriation of Trust funds (while conspiring with Kazan/Brayton etc...)

6. STEPHEN SNYDER – www.smollp.com – The biggest criminal of them all.

Stephen Snyder – Responsible for the "Theft" of over 1 Billion in Asbestos Trust Funds

LIED under oath and indicated that he was "retired" and resigned from the Bar to hide his insider dealing. Resigned (as a 'sham') from the California State Bar in 1999 so that he could deceive the Court and become Managing Trustee of the Western Asbestos, J.T. Thorpe, Inc. Trust and the Thorpe Insulation Trust. Personally and individually responsible for misappropriating over \$100,000,000.00 in Trust funds from 3 Trusts (www.wastrust.com; www.titrust.com; www.jttstrust.com) to himself and Gary Fergus (see above) and over a \$1,000,000,000.00 to the Underbosses Kazan, McClain and Brayton. **Evidence of Insider Dealing – Snyder.** This former defense lawyer (for over 20 years) took Fibreboard into bankruptcy (along with Fergus) through excessive billing. As an 'interested' party, should have no dealings on Trusts. The type of lawyer who gives all lawyers a bad name. A real despicable person.

7. MICHAEL AHRENS/STEVE SACKS – These are Alan

Brayton's "underbosses" – protecting his crimes through fraud, perjury and bad faith in every instance. Paid millions of dollars to protect Brayton's fraud. A couple of complete buffoons. Ahrens to 'fat slob' who has used his role in protecting Brayton's fraud as a path to retirement. Sacks is a 'chronic liar' – who has committed perjury on multiple occasions. These 2 are complete losers. Ahrens clearly an alcoholic whose "legal enemy" (Al Brayton) became his buddy once they colluded to misappropriate funds from Trust Beneficiaries. Ahrens should retire and will leave a legacy of fraud.

UPDATED REGULARLY TO INCLUDE MORE ASBESTOS TRUST MAFIA MEMBERS – THE STREET BOSSES etc...

I will also be adding LOTS more documents and evidence –

I also recommend reading the following article which also details the above –

Bates-White Article_Reorganized Mess – Detailing Bankruptcy Fraud – Misappropriation of Trust Funds by Trustees/Fiduciaries/Lawyers and how it's accomplished. Kazan. Brayton.

Here is a Link to Another Attorney who wrote about the same fraud in 2015 – In Forbes Magazine – They entitled it "Institutionalized

Fraud" <https://www.forbes.com/sites/danielfisher/2014/05/08/plai-lawyer-offers-inside-look-at-institutionalized-fraud-at-asbestos-trusts/#155390e046c2>

Steven Kazan, Esq. – The “Bernie Madoff” of Asbestos Trust Litigation

by Asbestos Legal Center

Opinion/Editorial

Bernie Madoff/Steven Kazan — Steven Kazan/Bernie Madoff.

The comparisons are undeniable. Both misappropriated billions of dollars. Both enriched friends/family at the expense of victims. Both held themselves out “pioneers” while committing vast fraud. Both will leave a legacy of fraud and bad faith impacting tens of thousands of victims solely to enrich themselves. Unfortunately, only one of them is in jail. Madoff. The other (Kazan) continues to misappropriate funds from asbestos claimant. The difference? In every Asbestos Trust Kazan inserts a “License to Commit Fraud” thus allowing him to continue his wrath of dishonesty (i.e. ... “No Asbestos Claimants’ Representative are to have or incur any liability to any Entity for any act or omissions arising out of the Chapter 11 cases or during the entirety of the Chapter 11 cases). 2 Criminals (although only one has been convicted – Madoff) – 2 “Losers” – 2 of the biggest fund frauds in history – 2 very bad individuals.

Let’s look at a side by side comparison of the 2 “Frauds” Kazan and Madoff:

Asbestos Trusts get Lucky!! Court Rules in their Favor in battle with States

Steven Kazan and Bernie Madoff – 2 “Clones” in

Different Fields

1. **Theft/Misappropriation of Billions of Dollars** – Both Kazan and Madoff misappropriated Billions of Dollars. Madoff misappropriated from investors to himself, friends and family. Kazan misappropriated from Asbestos Victims to himself, friends, family, “interested” and dishonest lawyers (this is ongoing).
2. **Fraudulent Holding Themselves out as Experts in Their Field** – Both Kazan and Madoff fraudulently held themselves out as “experts” in their fields. Madoff in investments. Kazan in asbestos litigation.

September 15, 2017

3. **Used “Stolen” Money to Enrich Family and Friends** – Again – Kazan is even ‘worse’ than Madoff here. Both have diverted millions/billions to friends and family victims. But Kazan is stealing from Asbestos Victims Trust Funds (those individuals who Kazan is paid as a Fiduciary to protect). Every single asbestos victim who files a claim with an asbestos trust receives LESS money because of Kazan’s theft (if they get compensated at all).
4. **Lied in Annual Reports and Annual Filings to the Government to continue the concealment of Fraud:** Madoff admitted this conduct. For Kazan – one just has to look at the Annual Reports for the Trusts in which he “serves”. Millions diverted to interested parties (ex-asbestos defense lawyers) friends and family members. Both used Partners, family and ‘cronies’ as front men for their fraud. Kazan regularly uses his dishonest partner David McClain. Madoff used family members and friends...
5. **Ruining the Lives of Thousands of Victims due to their Greed, Theft and Fraud:** Both Kazan and Madoff ruined the lives of thousands of victims. Madoff, but stealing their retirement. Kazan, by stealing and corrupting Asbestos Trust Funds (so they’re ‘unavailable’ for future victims)
6. **Concocted Fraudulent Rules to Allow for the Theft of Millions** – Both Madoff and Kazan “made up” their own Rules despite being Fiduciaries – allowing them to divert millions to themselves, family and friends.
7. **GIVING JEWS A BAD NAME** – Every negative stereotype applied to those of Jewish Descent is applicable to Kazan and Madoff. “Money Grubbing”. “All about Money”. “Ganevs” (Thieves). “Thinking they are ‘chosen ones’ to commit fraud” Both Kazan and Madoff have set individuals of Jewish Descent (including the author) back DECADES in dealing the anti-semitism, racism and hate. Every negative stereotype of Jews is defined by their conduct.

The Corrupt WOMEN of Asbestos Trust Litigation – Bad Lawyers/Bad People

by Asbestos Legal Center

Updated regularly...(See below for note from author)

The Corrupt Women of Asbestos Litigation – Bad Lawyers/Worse People

There is over \$30 Billion Dollars set aside for victims of asbestos diseases. But who oversees that money? Who decides which claimants/beneficiaries actually get compensated? Everyone talks about the “Trustees” or “Fiduciaries” (typically male).....but they can’t do it alone. They need help to commit such massive fraud. Individuals with criminal intent and bad motives who will willingly engage in fraud if it benefits them. So what do these Trustees and Fiduciaries do? They fill the roles with “Corrupt Women Lawyers” and pay them well. The Appearance: “...these are esteemed female lawyers who have ‘broken the glass ceiling’.....”

The Truth: “These are fraudsters who have conspired with Fiduciaries and Trustee to Commit Fraud and Misappropriate Money to themselves and their male superiors.” And in so doing, the Corrupt Women of Asbestos Trust Litigation have misappropriated over a BILLION dollars to their male co-conspirators, while

themselves stealing monies from Asbestos Victims.

So who are they? The **“Corrupt Women of Asbestos Trust Litigation”** – a pack of low-esteemed, dishonest, poor quality lawyers, who have conspired with their male Fiduciary superior (typically male) to funnel “billions of trust dollars” back to the Superiors/Fiduciaries while harming the true Beneficiaries/Victims of the Trusts.

Falsely giving the public persona that they’ve “broken the glass ceiling” – the **“Corrupt Women of Asbestos Trust Litigation”** are surprisingly ‘poor’ and low quality lawyers.

Do their families or kids know the corrupt conduct carried out by the **“Corrupt Women of Asbestos Trust Litigation”**? **Probably not!** Using Trust money, I suspect these female ‘losers’ are driving around in BMW’s, working very little, while ‘billing’ the victims’ money millions per year. NONE has acted as a Fiduciary for the Beneficiaries (what they are paid for) – and they know it! Hopefully, the family’s of these female frauds below see this post.

So who are **“The Corrupt Women of Asbestos Trust Litigation”**? Exposing them is the easy part. I’ve dealt with each of them multiple times over the past 5 years. You cannot believe a word that comes out of their mouth. Liars to the core to protect their male superiors committing fraud. How do they sleep at night? Who knows – but it can’t feel good living your life as a complete fraud.

So here they are...

One-by-One these women have corrupted Asbestos Trusts, misappropriated millions of dollars to their male superiors, conducted ‘sham’ audits of legitimate claims to harm claimants, and knowingly diverted Trust funds of “interested parties”. It is literally is criminal Racketeering – “RICO”... For each of the “Female Fraudsters” below, I will detail the Trusts they have corrupted, which Lawyers they’ve conspired with, and their contact information.

The Corrupt Women of Asbestos Trust Litigation: Bad Lawyers/Worse People

1. Mary Ellen Nickel – The Undisputed “Queen of Asbestos Trust Corruption”

2. Marla Eskin – “The Snake” – Somehow this former asbestos plaintiff lawyer (she worked at Jacobs and Crumpler in Delaware deceived the Judge’s overseeing multiple Trusts that she was not an “interested party”. What a lie? As a result of that deception, this “thief” has misappropriated millions of dollars of victim’s money to herself and other interested parties. Not a good lawyer – Not a smart Lawyer – just a fraud

Marla Eskin – Corrupt

Lawyer – Worse Person

3. Bethany Recht- “The Lazy Liar”

This is one dumb lawyer. Lazy. A Liar. Hides and ignores clear liability documents harming thousands of asbestos victims. Has misappropriated millions from the Trusts through sham billing...

4. Mary Ellen Nickel – “The Queen Bitch” – Quite possible the biggest liar of them all! Has misappropriated at least a billion dollars over the past decade to interested parties while partaking in fraud and sham audits to harm the very beneficiaries she’s paid to ‘protect’. I’m not sure you can find a more dishonest lawyer in the Country. Highest ranking female member of the “Asbestos Trust Mafia”

1. Trust Corrupting – Every Delaware Trust (over 10), including Owens Corning, Fibreboard, W.R. Grace, Flintkote
2. Her “Male Superiors” Engaged in Fraud: Steve Kazan, David McClain, Alan Brayton, Tom Florence

5. Molly Spieczny-“The Judge’s Corrupt Daughter” – Has misappropriated close to a million dollars through sham audits of Claims

6. Sara Beth Brown-“

7. Laura Paul – “The Slut”- No background in asbestos litigation yet hired to oversee a billion dollar Trust. Not even a lawyer. Had 4 kids w/4 different fathers before the age of 35.

1. Trusts Corrupting: Western Asbestos – J.T. Thorpe, Inc. – Thorpe Insulation-Plant Insulation.

2. Her Male “superiors” engaged in massive fraud: Alan Brayton, Steven Kazan, Stephen Snyder, Gary Fergus, Chuck LaGrave.

8. Jeanine Donohue – “The Troll” –

1. Trusts Corrupting: Western Asbestos – J.T. Thorpe, Inc. – Thorpe Insulation-Plant Insulation.
2. Her Male “superiors” engaged in massive fraud: Alan Brayton, Steven Kazan, Stephen Snyder, Gary Fergus.

9. Melissa Metzfield – “The Liar”

1. Trusts Corrupting: Johns Manville – All Trusts at CRMC.
2. Her Male “Superiors” while she serves as “the bitch” ? Jared Garelick, Jason Rubenstein

10. Marcellene Malouf –

11. Sara Beth Kohut – “Big Red” – new entry to the List – Recently became involved in the corruption at the “Delaware Claims” processing Trusts (including Owens Corning, Babcock and Wilcox, etc..). Clearly not a bright or honest lawyer. Solely hired by the Trust (a bribe) to assist in the corruption and the Trust fund misappropriation.

Author’s Note: Some of the very best lawyers in the entire Country are women. The best. This article has nothing to do with any gender bias. It does display how many women (who are very bad lawyers) will engage in fraud, conspiracy, racketeering, misappropriation....just so *they* will “look good.” Fiduciary duties mean absolutely nothing to the above women. Nothing. And if you’ve seen my other posts, there are far more corrupt men. But don’t let these women fool you. They are fraudsters. Liars. And consciously ‘bad’ people.

Jason Rubinstein – Corrupt New York Lawyer – Worse Person – Friedman Kaplan Lawyer Fraud

by Asbestos Legal Center

Editors Note: 9/29/2017 – It's unfortunate for asbestos victims that two lawyers are 'stealing' money from the Manville Trust who are supposed to be Fiduciaries — **Jason Rubinstein and Jared Garelick**. Having accepted a 'tacit bribe' to commit fraud, Rubinstein and Garelick have done just that years — conspiracy and bad faith. Add Sham lawsuits. Sham audits. Tyranny. Fraud. Misconduct. Perjury....all to protect the fraud of others (Al Brayton and Steve Kazan) and pad their own pockets with Asbestos victims money.

Manville Trust run by 2 of the Worst and Most Corrupt Lawyers in the Country –

Jason Rubinstein & Jared Garelick

Rubinstein and Garelick are not just bad lawyers, but *'bad' individuals who give all lawyers a bad name*. Sad for victims that these 2 losers are involved in asbestos Trusts at all. But the Manville Trust had to hire two "losers" to further

The Corrupt WOMEN of Asbestos Trust Litigation – Bad

their fraud....

Here's the Face of the one of the most Corrupt Lawyers in the Country....and where Manville money is going (not to victims)

Jason Rubinstein

One of the worst Lawyers in the Country – A Fraud, A Liar, A Tyrannist.

No doubt this loser only made “Partner” and his crappy Firm from over billing clients and asbestos trusts — definitely not on merit. Bad Person. Bad Jew. Bad Lawyer. Thief.

NEW YORK

Contact the fraud Jason Rubinstein:

7 Times Square

New York, NY 10036-6516

Tel: 212.833.1131

Fax: 212.373.7931

If you can't find him there – you may be able to find him at local LGBT meetings in N.Y. He says he does 'charitable work' for them. Presumably, another lie.

Here's Rubinstein's loser LinkedIn Address –

Corrupt?

- **Fraudulent Claim Reviews of Manville Claims –** Paying their “buddies” claims millions of dollars while denying legitimate claims for other attorneys
- **Misappropriation of Victims’ Funds- Millions –** To themselves through sham billing to the Trust and to other Lawyers filing fraudulent claims (Alan Brayton)
- **Bad Faith –** Unable to comprehend or follow the Manville Trust Distribution Procedures to further fraud
- **Corruption- Bribery, Fraud**
- **Tyranny-**Utilizing role and position with the Trust to commit fraud, bad faith
- **Incompetence-** Complete
- **Bribery- The Payoff to Rubinstein/Garelick: Money, hourly billings, a “job”, an “open checkbook” from victims money *in exchange for* Payment of fraudulent claims (by Alan Brayton) by Trustees; Targeting “whistle blowers” who expose Manville Trust Fraud (Mandelbrot); Theft of Trust Funds...**

While there are a lot of corrupt and ‘bad’ lawyers in Asbestos Litigation – these 2 Fraudsters could be the worst. **Bad Lawyers. Tyrannists. Frauds. Liars.**

1. **Jason Rubinstein – Simply put, a complete loser. An awful lawyer. Counsel to the Manville Trust. Tyrannist. Fraud. Stealing money from Manville Trust Victims and harming Counsel**
2. **Jared Garelick – Truly, a horrible lawyer. Only a ‘figurehead’ at the Trust to engage in corruption. Bills the Trust a million dollars a year (his bribe) as a payoff to further corruption. A complete loser.**

The face of Asbestos Trust Fraud- Jared Garelick – This loser is supposed to be Counsel to the Manville Trust

Simply put, Garelick and Rubinstein are a couple of lawyers who act in bad faith, have malicious motives while harming the individuals (beneficiaries of the trust) they are paid to protect. Words can't describe the despicable nature of their conduct.

It's unfortunate that many other Fiduciaries around the Country are acting in concert with them. Hopefully, the Judges and Department of Justice notice...

Rubinstein and Garelick should be in jail. Their conduct has harmed thousands and thousands of sick victims. They divert money to 'favored' victims, while ignoring all others. Rubinstein and Garelick – 2 real 'sick' human beings.

As someone of Jewish descent – I can also say that these 2 Jews give all Jews a bad reputation by perpetuating negative Jewish stereotypes ("money-grubbing Jews")....

Sad for Victims. Sad for Jews. Sad for Lawyers.
